

I Support the SBC Vision for 2020

I am committed to our mission of evangelizing and edifying God's way (see Mt. 28:19-20) and **our** vision (see Acts 16:9-10) of having at least 400 people a week experiencing transformative worship, at least 250 people a week growing in our growth groups, and demonstrating noted community involvement (i.e., 2,500 hours/yr. and \$30k donations/yr. for Avondale and vicinity), by the end of 2020. I believe that fulfilling this vision will bring glory to God and will be a rich blessing to us, our loved ones, and Avondale and vicinity. I am committed to using my relational influence and supporting strategic ministry efforts to help people move from their first encounter with SBC to growing in our growth groups (i.e., our disciple making process).

My church family can count on me to work on the following:

- 1. Prayer** (see Jn. 14:13). I will seriously pray for my consistent discipleship, the wisdom and strength of my Pastor, my Pastor's helpers, the health of my church family, and the binding of all demonic and negative forces.
- 2. Discipleship** (see Lk. 9:23). I will consistently study, serve, and give at SBC, as noted in the teaching.
- 3. Promotion** (see Mt. 5:13-16). I will consistently affirm the good things about my church, urge those in my circle to support the vision, confront challenges that need to be dealt with, and reject negativity.
