

PLEASE HELP THE CHURCH EARN MONEY WHEN YOU SHOP AT KROGER.

The old Kroger's gift cards that were used with your purchases will no longer earn the church money. If you have money on your card please continue to use it. Just remember when you add money to your card it no longer benefits the church. In May Kroger launched a new program that links your Kroger's Plus card with your nonprofit organizations. Below is some valuable information that will help you and help the church.

1. Please make sure you have a Kroger's Plus card. If you don't, go to your local Kroger's Custom Service and secure one.
2. You need to have an email address and an online Kroger's account where valuable coupons, weekly ads, point balance, shopping list and account information can be sent.
3. Go to www.kroger.com and select Create an Account and follow the easy step by step instructions, if you did not previously create one. After you have created an account go back to

www.kroger.com and click on services. Scroll down and click on Community Rewards.

4. Under the Community Rewards go under the participant and click on enroll and follow the steps. Please use **81931** for the organization ID number.
5. If you need help establishing an email account or enrolling in the Community Rewards Program, the church office staff is available to assist you. Please contact Sis. DeAnna Banks to schedule your appointment. If you are interesting in learning more about the computer, Rev. Larkin is available to train you in the church's computer lab for a nominal fee.
6. We need you to frequently shop at Kroger and use your reward card so that the church can receive a percentage (determined by Kroger) to be used to help us pay down more debt. Please note: Gas, government prescriptions (other co-pay and over the counter medicines are included) , alcohol, tobacco, and some other items are not included in this program.
7. If you have any questions please contact Sis. Daphene Baines at 290-1590 or call the church at 221-8138.
